

Mody Institute of Technology & Science
Deemed University under Sec. 3, of UGC Act, 1956
(ISO 14001:2004 Certified)

Ongoing Government Sponsored Projects

S. No.	Projects Titles	PI
1.	Control and Prevention of Fluorosis in Lakshmangarh by low cost Defluoridatin Filters (2010)	Dr. K. Quanungo kushalq@hotmail.com
2.	Prevalence and Mitigation of Fluoride Toxicity in the Sikar District of Rajasthan (2009)	
3.	Study of Phthalocine Polyaniline Composite Thin Films for use a suitable Materials in Solar cells (2010)	Dr. S. Sharma soraj_31@yahoo.co.in
4.	Rheological Stabilization & Characterization of Ceramic Suspensions (2010)	Prof. A. Mukherjee amitmukherjee100@yahoo.co.in
5.	Design & Synthesis of magnetic nanoparticles based trace for all recovery (2011)	Dr. Rama Ranjan Bhattacharya ramaranjanb89@gmail.com
6.	Oscillatory Transport phenomena cross liquid liquid Interface – Investigation into phase transfer Catalyst System	Dr. A. K. Das amlan_snigdha@yahoo.co.in
7.	RNAi mediated gene silencing against Begomovirus (2009)	Dr. R. K. Gaur gaurrajarshi@hotmail.com
8.	A Coordinate approach to develop transgenic plant against cotton leaf curl virus (2009)	
9.	Gene network interaction by using mi RNA in rhizobacteria (2011)	
10.	Large scale production of bio degradable microbes (2011)	Dr. Harish Dhingra harishdhingra2000@gmail.com
